MAILING ADDRESS	Centenary Athletics P.O. Box 41188 Shreveport, LA 71134-1188

TRANS AMERICA ATHLETIC CONFERENCE

Founded on September 19, 1978, by eight NCAA Division I Independents (Centenary, Hardin-Simmons, Houston Baptist, Mercer, Northeast Louisiana, Oklahoma City, Pan American and Samford), the TAAC has evolved over its 14-year history without changing its initial premise: "assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

One of the biggest changes in the TAAC merged with the New South Women's Conference in the spring of 1991 and the TAAC doubled its size, sponsoring six women's championships along with six men's. The conference recently added three more championship sports for the 1993-94 season, women's soccer plus men's and women's track and field.

The ability of the TAAC to help its members reach its goals is reflected in the number of teams and individuals participating in NCAA tournament competition and the number honored on the All-Academic teams. In 1991-92, the TAAC placed automatic qualifiers into the men's basketball tournament and baseball tournament and added at large picks to the baseball and soccer tournaments and the National Women's Invitational Tournament in basketball. A record 238 student-athletes earned All-Academic status by earning a 3.0 or better during their season of athletic participation.

The success and continued growth of the soccer and women's basketball programs, including post-season play, victories over ranked opponents and national statistical champions, raises the hopes and chances of automatic qualification into those NCAA events in the near future. Individual student-athletes also excel in the TAAC, as cross country runners, golfers and tennis players have earned tournament and meet titles, NCAA qualifications and GTE CoSIDA All-Academic honors.

TAAC 1992-93 membership includes nine member institutions. Changes in the membership are the addition of the University of Central Florida and the departure of Georgia Southern. Central Florida was a charter member of the New South and re-joins many of its conference rivals from that league by entering the TAAC.

TAAC MEMBERSHIP

ABOUT CENTENARY COLLEGE

Founded in 1825, Centenary College is the oldest private liberal arts institution West of the Mississippi. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 1110 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 37 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in "Money's Guide to the Best College Buys" as the 22nd "best buy" in the the U.S. based on quality of education and competitive pricing.

Shreveport is located on the West bank of the Red River in Northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

Centenary is a charter member of the Trans America Athletic Conference (est. 1978) and sponsors 14 men's and women's intercollegiate sports. Centenary sponsors basketball, baseball, soccer, cross country, tennis, golf, and rifle for men. For women, the sports include soccer, cross country, volleyball, gymnastics, tennis, softball, and rifle. Centenary is the home of current NBA great Robert Parish, PGA star Hal Sutton and former Olympic gymnast Kathy Johnson. In the 15-year history of the TAAC, Centenary has won 10 conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up in the years 1987-88, 1988-89, and 1989-90.

Dr. Kenneth Schwab, *President*

Last year, an award-winning educator with a keen interest in leadership and strategic planning was named Centenary College's 34th President.

Dr. Kenneth Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration and Associate Professor of Education in the Department of

Educational Leadership and Policies. He has taught graduate courses in leadership in higher education and institutional planning and research, and is credited with the establishment of a strategic plan for the total University system. Prior to that, Dr. Schwab served 16 years at Guilford College.

Dr. Schwab holds the Doctor of Education degree (1978) from Indiana University, Master of Education degree (1972) from the University of North Carolina-Greensboro, and the Bachelor of Science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Walter Stevens, *Director of Athletics*

Walter C. Stevens, Jr., in his twelfth year as Centenary College's athletic director, is the man responsible for coordinating activities and fund-raising for the athletic department.

A native of Macon, Ga., the retired Air Force Colonel of 30 years graduated from the United States Naval Academy in 1951. He later earned a master's at Louisiana Tech.

In his twelve-year service at Centenary, Stevens has been instrumental in the purchase of a new portable wooden floor for the Gold Dome, and completion of a six-court \$180,000 tennis complex. He has also served as president of the Trans America Athletic Conference for two years (1986-87).

Under Stevens' direction, Centenary's athletic teams earned the first-ever Jesse C. Fletcher Award in 1983-84 and finished as runner-up in 1987-88, 1988-89, and 1989-90. The award distinguishes the TAAC school with the strongest athletic program during a year.

Stevens coached freshman basketball and baseball from 1957-60 at Georgia Tech and studied under the legendary Bobby Dodd, who coached there for 30 years.

CENTENARY GYMNASTICS

1993 OUTLOOK . . .

Rebounding...a commonly used term in gymnastics, a great way to describe the 1993 edition of Centenary Gymnastics. A difficult and frustrating 1 and 9, 1992 season saw the Ladies turn in the worst won-loss record in the program's storied history. But head coaches Bob and Willa Moss and their 1993 team would like to leave the past alone.

"It was a tough season for our girls," explains eighth year coach Bob Moss. "We lacked experience and depth, both keys to successful gymnastics teams. I can't say we have a lot of either one this year, but the overall abilities of our gymnasts have improved greatly over last year's squad"

Back for her junior season is the Ladies finest all-around competitor Katrina Evans (Baton Rouge, LA). Katrina led the Ladies in all-around scoring average a year ago with a 37.46. Her 9.48; in uneven bars, 9.62 in balance beam and 9.42 average in floor exercise were season bests for the Ladies. Only graduated teammate SuSu Pesnell bested Evans during the 1992 season, twice in all-around scoring and a 9.23 average to Katrina's 9.1 season average in the vault.

Evans owns Centenary individual scoring records in the balance beam with a 9.75, which she set in '92 against LSU. "Kat" also owns the school mark in the floor exercise, a 9.7 recorded against Texas Woman's University last year. Evans came five-hundredths of a point from tying former Olympian Kathy Johnson's all-around record of 37.75, scoring a 37.7 against LSU last season.

Senior Michelle Tillison (Alvin, TX) and sophomore Jennifer Hass (Duncanville, TX) are the Moss' only other returners from a year ago.

Hass was one of two Ladies (Evans the other) to compete in every event in every meet a year ago. Hass' 9.32 season average on the beam last season was second only to Evans 9.62.

Tillison was hampered most of the 1992 season with a lower back strain, limiting her competition to the uneven bars only, where she averaged 8.94 for the season. Tillison's action in 1993 will revolve mostly around the vault and bars.

Four freshman newcomers fill out the team's roster. The quartet include Jolie Veilleux (Prairieville, LA), Christin Horn (Altamonte Springs, FL), Veronica Stuart (Conyers, GA) and Amy Warren (Houston, TX).

Veilleux and Horn top the newcomers list. Both have the ability to nail strong 9.0+ scores in every event. They should also push the headliner Evans for top spot in the rotation. Veilleux is a four-time state Champion and eight time regional qualifier. Horn also is a multiple Level 9 regional qualifier.

Stuart and Warren should add much needed depth to the Centenary squad, pushing their classmates for bragging rights in individual events.

A hearty schedule awaits the Ladies with meets against LSU, Auburn, Kentucky, Oklahoma and Michigan, not to mention rival Texas Woman's University. The Ladies also head to the Great White North in March when they face The University of Alaska-Anchorage Seawolves, the only team the Ladies defeated in 1992.

"Our success won't be measured in wins and losses this year," adds Moss. "We are trying to build from our glory days a few years ago. We have a very strong nucleus and a fine bunch of young kids. There is no doubt we will qualify for post-season competition. We'll even throw a few scares at the big name teams on our schedules."

1993 SCHEDULE

DATE	OPPONENT	SITE	TIME
Saturday, Jan. 16th	Texas Woman's	Denton, TX	7:00
Friday, Jan. 22nd	LOUISIANA STATE	GOLD DOME	7:00

CO - HEAD COACHES

BOB MOSS

WILLA MOSS

The husband and wife team of Bob and Willa Moss begin their eighth season as Co-Head Coaches of the Centenary Ladies Gymnastics team.

Bob was a national champion trampolinist under previous Ladies Head Coach Vannie Edwards. Willa trained under Edwards in all-around competition and in 1971 became a judge at national meets. Both attended Southeastern Louisiana University.

In 1976 the Mosses located in Little Rock, AR and opened up the Little Rock Gymnastics Center. Prior to that Bob and Willa had taken their coaching skills to different parts of the country. Bob to Mississippi at Southwest Junior College and Willa to the public school system in New Jersey.

When Vannie Edwards retired from coaching at Centenary in 1985, Bob and Willa seemed to be the best candidates to continue the successful tradition of the Ladies. After three seasons the Mosses had themselves their first National Championship - the 1988 NAIA National title. Their six year coaching record is 64-42.

Bob and Willa located in Shreveport with their family (3 sons and a daughter) in 1980 and opened up Shreveport Olympiad, a gymnastics center where they teach up and coming gymnasts and the Centenary Ladies train.

1993 CENTENARY TENNIS OUTLOOK...

LADIES...During 1992 the Centenary Ladies Tennis Squad turned in their 13th consecutive winning season all of which came during the Harrison/Adams era at Centenary. With the top 4 players from last year's team back it's easy to see why the mood is upbeat for the 1993 edition of Ladies Tennis.

"Our #1 and #2 singles players are back," explains women's mentor Pattie Adams. "Also the two girls that split time at #3 and #4 are back too...and our #5 single player is back also."

Back for her fourth season in the Ladies line up is Tanya Manibo. A solid talent from the Virgin Islands, Manibo has a dual match record of 41-21 over her four year career and will hold down the #1 singles spot for the second year in a row.

Sally Calogne (So, Baton Rouge) returns for her second season at Centenary where after posting a respectable 8-9 mark at the #2 singles spot last season...should provide a strong #2 spot again behind Manibo. The Calogne/Manibo doubles tandem posted a 10-5 #1 double record last year with a 12-6 overall record.

Heidi Zimmerman (So, Denver, PA) and Keelie Hawkins (Sr, Longview, TX) split time between the #3 and #4 single positions last season. Zimmerman turned in a 10-12 (5-8 at #3) overall record in her first season while Hawkins came in with a 6-16 record (5-7 at #4).

Heather Farish (Jr, Lewisville, TX) who spent most of last season in the #5 spot in the line up returns for her third season. Farish posted an 8-9 mark at #5 in 1992.

"We played well as a team last season," adds Adams. "If somebody stumbled a little someone else would always pick up the slack."

Rounding out the depth chart for the Ladies is senior Jennifer Dixon (LaPorte, TX) who teamed with Stacy Berger for the #3 double tandem in the 1992 lineup posting a 7-5 record overall as a duo. Besides Dixon first year players Sharon Tallach (So, Hot Springs, AR), Melanie Bolton (Fr, Monroe, LA) and Kelly Rieger (Fr, Enid, OK) will all give Centenary a foratable lineup in tennis.

GENTS...Coach Jimmy Harrison is excited about his 14th men's team at Centenary. "Our #1 and #2 singles players were in their first season last year and they gained a great deal of experience," explains Harrison. "They are both back and we've added some other youngsters that will help us form a solid base for the future."

Back for their second seasons at Centenary are Ashwin Damodaran (So, New Delhi, India) and Denis Poljak (Jr, Zenica, Bosnia & Herzegovnia). Damodaran posted a 3-12 mark at the #1 singles spot as a freshman while Denis ended 1992 with a 4-12 record at #2. The duo teamed up for a 4-6 #1 doubles record where they advanced to the semifinals of the Trans America Athletic Conference tournament.

Mark Kile (Jr, Bossier City, LA) returns for his second season also as a Gent netter. Kile posted the Gents only winning season a year ago with a 6-4 record mostly in the #6 spot.

Besides Damodaran, Poljak and Kile the Gents return Geoff Benedict (So, Woodlands, TX) and Rob Zube (Jr, Jasper, TX) to form a solid nucleus upon which Harrison can build. Benedict was 2-5 last season splitting time with Kile at the #6 slot.

Harrison strengthened his troops with his 1993 recruiting class. Newcomers to the Gent program expected to shore up the middle of the line up are Davor Poljak (So, Zenica, Bosnia & Herzegovnia), Davor Ivancic (Fr, Zagreb, Croatia), Chris Poe (So, Alexandria, LA) and Brent Waguespack (Fr, Shreveport). Davor Poljak, the older brother of Denis, and Ivancic will give the Gents immediate depth that was a missing link last season. Poe and Waguespack are highly touted area players expected to give Harrison the opportunity to juggle his lineup to find the best mesh of players.

Elvir Cehajic (So, Zavadovici, Bosnia & Herzegovnia) comes to the tennis program for his first season as a dual sport athlete. Cehajic is also a member of the Centenary Soccer team. Rounding out the list of newcomers is freshman Scott Ware, a lanky hard hitter from Dallas.

THE COACHES

JIMMY HARRISON

PATTIE ADAMS

Centenary Tennis . . . a family affair. Jimmy Harrison, the patriarch of Shreveport's first family of tennis, begins his 14th year as Head Coach of the Centenary Tennis program. For the 6th year, Harrison will be joined by his daughter, Pattie Adams, who will assist with the Ladies program.

A native of Shreveport, Jim Harrison graduated from Louisiana Tech after attending Centenary for a year on a football scholarship. At Tech, where he also holds a Master's Degree, Harrison was named All-American in football in 1949. Harrison has had several coaching positions at the high school level, including Plain Dealing, Cotton Valley and Arcadia. In 1968 he took over the football and tennis programs at his alma mater Byrd High School and in 8 years guided his tennis teams to 5 state championships. During that period the Yellow Jackets posted a remarkable 102-7 record.

Pattie Harrison Adams is no stranger to the tennis courts. Pattie was a nationally ranked Junior player who took her talents to Ole Miss and the college ranks. Pattie would later transfer to LSU. Pattie was the 1988 Louisiana Open singles and doubles champion.

In 1988, the Harrison family was selected the "Tennis Family of the Year" by the Louisiana Tennis Association. In 1991, Jimmy Harrison was named the ITCA-NAIA College Coach-of-the-Year.

CENTENARY SOFTBALL

1993 OUTLOOK . . .

Entering her second season at the helm of the Centenary Ladies Softball program Coach Laneigh Clark is cautiously optimistic about the prospects for the 1993 season. The Ladies return 10 letterwinners from a year ago including 7 everyday starters...therefore the optimism. The caution...the 10 returners posted a 16-28-2 record.

"With so much back from last year we should be much stronger," explains Clark. "We beat some strong teams last year. We played inconsistent with what was a young squad. These girls now know my system and the way I want them to play. We could surprise some teams this year."

Indeed a lot is back for Clark this year. Seven starters return including 1992 All-TAAC performers Julie Winton (C-3B Jr., British Columbia) and Donna Krolczyk (P-DH, Jr., New Caney, TX). Winton spent most of her time behind the plate last season leading the team in nearly every offensive statistic, including a .333 batting average (Tie for 4th in the TAAC). Krolczyk, who with teammate Marnie Thornton (P-DH, Jr., Pueblo, Co) combined for all the team pitching wins (8 apiece), ended the season 8-17 with a 4.45 ERA. The hard throwing right hander finished 1992 with 86 strikeouts, or 3.46 K's per 7 innings (3rd best in the TAAC).

Winton will provide most of the offensive fire power for the Ladies. The Canadian led the 1992 squad with 47 hits, 22 RBI's, 9 doubles, 3 homers, 71 total bases and a .504 slugging percentage. Winton will move back to the hot corner at third this season where she is a much more natural player. Coach Clark had to move Winton behind the plate to shore up the defensive middle last season.

Krolczyk and Thornton split time on the mound last season. Thornton's 8-11 record bettered "Krol's" 8-17 mark, but it's Krolczyk's fastball that will make her the #1 hurler in the rotation. Thornton was hobbled late in the season with a knee injury and posted a 3.20 ERA. Thornton's late season injury forced Krolczyk to the mound for the final 7 starts of the season, including the NAIA District Championships (3 games) with Mobile College and the TAAC Championships (3 games).

Other every day starters returning include infielders Christie Hulseley (1B, Jr., Van, TX, .237 BA), Kristy Risner (SS, Jr., New Caney, TX, .266), Michele Hyden (3B, Jr., Dallas, TX, .148) and Becky DePriest (2B-C, So., Shreveport, LA, .200). Returning in the outfield are Jamie Humphreys (CF, Sr., Bossier City, LA, .200) and Lori May (RF, So., Shreveport, LA, .169).

Hulseley's .980 fielding percentage (336 PO, 8 E's, 7 A's) at 1st last season led the team a year ago. Hulseley's bat can also be considered a long ball threat as she bashed 2 taters including the teams only Grand Slam last season. Her .355 slugging percentage was a second on the squad last year behind Winton.

Sparkplug Kristy Risner returns as the Ladies solid middle infielder. "Rise" split the year at 2nd and short and finished second on the team's batting race with a .266 average. The consummate two hole hitter, Risner led the team in on base percentage at .361 with a team leading 15 walks and 4 hit-by-pitches. She can do it all at the plate, Risner's 34 hits were #2 last year. She collected 13 RBI's (t-#2), 13 sacrifices hit (t-#1) and smacked her first homer of her career last season.

Jamie Humphreys is the lone four year player on this year's squad. The fleet south paw will roam centerfield for the Ladies for the 4th straight season. Humphreys' 4 triples led the squad in '92 as well as her 16 stolen bases in 17 attempts. The lefthander's .36 stolen bases per game was a TAAC season best.

Michele Hyden will be forced from her hot corner position last year as Winton makes the move out from behind the plate. Although considered a junior, Hyden is in her fourth season at Centenary. The Dallas native used a medical-redshirt her first year after suffering a broken ankle early in the 1990 season. Hyden will most likely be used by Clark as a utility player where she has experience at 1st, 2nd, 3rd, and pitching.

Sophomore returning starters Lori May and Becky DePriest round out the list of returning starters. May snapped her right ankle sliding into third late last season in Oklahoma City, forcing the diminutive outfielder to the bench with 11 games left in the season. DePriest, who

split time at second and backing up Winton behind the plate as a catcher last season, should hold down a steady position this year as the second bagger.

Five newcomers make their debut in maroon and white this season. The newcomers include Kelly Griffin (C, Fr., Shreveport, LA), April Coleman (P, Fr., New Iberia, LA), Amy Coleman (P, Fr., New Iberia, LA), Lisa Treadaway (Utility, Fr., Blanchard, LA) and Debra Pratt (Utility, Fr., Plano, TX).

Griffin is the most notable of the newcomers. Clark expects the Shreveporter to make the transition to college ball quickly and take over the reigns as catcher. "Kelly was an outstanding high school prospect, we needed a catcher and expect her to be back there for the next four years. It's a lot of pressure for a freshman, but our success may flow out of the catchers position." Griffin was an All-District selection 4 years, All City selection 3 years and her senior season was named All-State.

Twin sister Amy and April Coleman will see time on the mound this season, giving the Ladies more pitching depth than ever before. Treadaway will help the Ladies middle infield strength as well as contend for a position for the outfield. Pratt makes the jump over from the Centenary Ladies Soccer team, where she played sweeper. Pratt will use her outstanding speed on the base paths.

"We have a great foundation on which to build," adds Coach Clark. "The keys to our success boil down to three things. Defense up the middle. Hitting. Health".

"Middle defense. The catching position is where we need the most solid play. We don't have a full time starter returning at second either. Risner has had shoulder problems at short but is tough as nails. Jamie (Humphreys) should be consistent in center."

"Hitting. We can't rely on Julie (Winton) to always be there for us. The folks that hit behind her will have to pick up their share of the load. Our .217 team batting average last season leaves a lot to be desired. Discipline at the plate and understanding the hitting situation will be crucial for us."

"Health. We've had more surgery's on this team than most hospital's can handle. Marnie Thornton's knee is day-to-day. Christie Hulseley has had two knee operations in the last two years. Michele Hyden had ankle surgery when she broke it two years ago. Lori May had the same thing last season. Kristy Risner had shoulder surgery a year and a-half ago. Getting through the season without an injury will be an accomplishment.

A challenging schedule awaits the 1993 Ladies. They will host the 1993 TAAC Tournament April 30th and May 1st.

THE COACHES

LANEIGH CLARK
Head Coach

MICHAELA MEREDITH
Ass't Coach

Laneigh Clark begins her second season at Centenary heading the Softball program. During Clark's first season as a collegiate coach the Ladies finished 16-28-2. The 1987 Louisiana Tech graduate took over the reigns of the Centenary program from former collegiate teammate Tami Cyr.

The Houston, Texas native came to Centenary after spending four years as a softball and basketball coach at Haughton (LA) High School. While at Louisiana Tech, Clark was a four-year starter for the nationally ranked Techster squads that made four straight trips to the College World Series.

At Centenary, Clark also doubles as the volleyball coach. Clark, 29 is married to James Clark, the Centenary College rifle coach.

1987	Tami Cyr	10-20	.333	3-3	7-17

CENTENARY GOLF

1993 OUTLOOK . . .

First year Head Coach Oree Marsalis is cautious when describing his first collegiate team. "We have two of the top three boys back from a year ago, which makes me feel good. However, after that there is alot of youth and inexperience for our depth."

Marsalis is right. Back are two of last season's top performers, both of which are seniors. David Fulco and Paul Manco are expected to carry the load of the scoring punch when the Gents hit the links.

Fulco's ability has steadily improved as he hopes to burst on the scene for his final year at Centenary. The Gents #1 player the last two season's Fulco has finished in the Top 10 in 5 of 21 events in his 3+ years at Centenary.

Manco who finished last year strong by finishing tied for fifth in the TAAC Championships has slowed this past Fall. The Bossier City natives Fall '92 average was 82.9, nearly 5 strokes higher than the previous year's efforts.

"Those two kids will have to show the way if we are to be successful," adds Marsalis.

Two freshman and two relatively inexperienced returners fill out the Gent lineup. Marsalis went north to find his freshman duo of Jason Barton and Eric Carlson. Barton hails from Oakville, Ontario while Carlson hails from Orchard Park, NY, a suburb of Buffalo.

"Barton and Carlson should be fine golfers for us down the road," explains Marsalis. "As they adjust to the collegiate game and pick up their level of intensity they will be fine. They can hit it a mile."

Rounding out Marsalis' first squad are returning junior Jon Peters and senior Craig Raibourn. Peters played in four tournaments his freshman year but did not tee it up last season. Raibourn saw action in only one tournament last season. Peters competed in four of the five tournaments this past Fall posting an 84.7 average. Raibourn posted and even 80 in 3 Fall tournaments.

"We are trying to build the program up as much as possible," injects Marsalis. "Patience and hard work will be our stepping stones. We have a solid foundation, great play and practices facilities...Centenary's best golf is still ahead of us."

**OREE MARSALIS
HEAD COACH**

When you talk golf in the Shreveport-Bossier (LA) area one name is sure to pop up in the conversation, Oree Marsalis. Marsalis is in his first year as head coach of the Centenary College Golf program at the ripe old age

of 80. Marsalis takes over for former coach Peter Winkler who headed the program for eight seasons.

"Not too many college coaches can say they got their first college job as late as I did," adds the golf veteran with over 50 years of experience. "I've been coaching youth golf around here for so long, it just seemed like a great opportunity when Centenary came calling."

Marsalis has been instrumental in the development of the junior golf programs in nothwest Louisiana. He designed and was the first pro at the Barksdale AFB golf course and has steadily built his reputation as the finest golf instructor in northwest Louisiana.

1993 SPRING SCHEDULE
